From their expressions, it was plain that neither Song nor McKillian had thought of it.make out of Venice, California. There is something appealing about the thought of this dome floating.It seemed self-evident to him that nobody in his right mind would want to get killed, or to be sent to places he'd never heard of by people he'd never met in order to kill other people he didn't know. Therefore nobody in his right mind would be in the Army. But since the Army was full of people whom it had judged to be acceptably sane and normal, it seemed to follow that the Army's ideas of what was normal had to be very strange. Now, to transfer into something like Engineering seemed on the face of it to be a perfectly natural, reasonable, constructive, and desirable thing to want to do. And that seemed enough to guarantee that the Army would find the request unreasonable and him unsuitable..After all, a human being is more than his genes. Your clone is the result of your nucleus being placed into a foreign egg cell and the foreign cytoplasm in that egg cell will surely have an effect on the development of the clone. The egg will have to be implanted into a foreign womb and that, too, will have an influence on the development of the organism..There is no sign of anything wrong?no explosion, no fire, no trace of violence.
