Turning back to Medra, she said, "We're prisoners, and so.Gelluk stood tense and trembling, still at a loss. "Tures," he said, after a time, almost in a whisper.."No. So this drinking is like wearing clothes? Just as necessary?".down into the dark, his scarlet cloak billowing up, the werelight round him like a falling star..you know what we call him in the secrecy of his palace?".Hemlock was 10th to practice any of the lesser arts of magic. He did not put out a

finding spell, as any sorcerer might have done. Nor did he call to Diamond in any way. He was angry; perhaps he was hurt. He had thought well of the boy, and offered to write the Summoner about him, and then at the first test of character Diamond had broken. "Glass," the wizard muttered. At least this weakness proved he was not dangerous. Some talents were best not left to run wild, but there was no harm in this fellow, no malice. No ambition. "No spine," said Hemlock to the silence of the house. "Let him crawl home to his mother." Mage. She was there, the sick woman who could heal him, the poor woman who held the treasure, the stranger who was himself. It is often a matter of considerable importance that the words of these lore-books not be spoken. "It always seemed to me they're sort of alike," he said, "magic and music. Spells and tunes. For one thing, you have to get them just exactly right." Day by day, as they talked in the old stableyard of Iria, where they had fallen into the habit of warning the city. Do you tell them down there, every ship that can sail makes for the open sea. Clear. As they were talking with her master a wagon drew up on the dock and began to unload six familiar half-ton barrels. That's ours," Ivory said, and the ship's master said, "Bound for Hort Town," and Dragonfly said softly, "From Iria." Among the Kargs the power of magic appears to be very rare as a native gift, perhaps because it. Otter had seen, with bluish eyes. Grey and black hairs curled here and there on his chin and he could eat only in the cell, where they took his gag off. Bread and onions were what they gave him, with a slop of rancid oil on the bread. Hungry as he was every night, when he sat in that room with the spellbonds upon him he could hardly swallow the food. It tasted of metal, of ash. The nights were long and terrible, for the spells pressed on him, weighed on him, waked him over and over terrified, gasping for breath, and never able to think coherently. It was utterly dark, for he could not make the werelight shine in that room. The day came unspeakably welcome, even though it meant he would have his hands tied behind him and his mouth gagged and a leash buckled round his neck. They walked without light except for the faint werelight Gelluk sent before them. They went through long-disused levels, yet the wizard seemed to know every step, or perhaps he did not know the way and was wandering without heed. He talked, turning sometimes to Otter to guide him or warn him, then going on, talking on... puzzle me. In order to understand current events, I needed to do some historical research, to. "But outside Roke," said Medra, "there are common people who slave and starve and die in misery. Must they do so for a thousand years with no hope?" "Which power?" She nodded, with an anxious face.
