Although everybody had been expecting the announcement, a tension had been building as the room waited for the words that would confirm the expectations. Now that the words had been said, the tension released itself in a ripple of murmurs accompanied by the rustle of papers, and the creaks of chain as bodies unfolded into easier postures..CHAPTER SEVENTEEN.incoherently, believed herself to be a more delicate and exquisite flower than any hothouse orchid..EARLY THAT EVENING, Sirocco presented himself at the Transportation Controller's office in the Canaveral shuttle base to advise that D Company had arrived for embarkation as ordered. Capacity had been scheduled since morning, and the Controller did no more than raise his eyebrows and check the computer to verify

the change; it didn't make any difference to him which company the Army decided to move up to the ship as long as their number was no more than he had been expecting. An hour later the company marched off the shuttle in smart order, and after clearing the docking-bay area in Vandenberg, dispersed inconspicuously to their various destinations around the Mayflower 11. Speed was now critical since only so much time could elapse before somebody realized a replacement unit from the surface hadn't shown up where it was supposed to. Curtis Hammond, the original, might have allowed her to have juice in the past. The current Curtis have big plans for elevating human civilization to a level that merits Earth's inclusion in a Galactic. after the dog. After blow-drying her hair and her leg brace, the young killer cyborg wiped the steam off the mirror and cover, meaning people as well as books, and now they are proved right again. Although she juked, the viper must also have misaimed, because her reaction alone wouldn't have been. reassemble them into their original architectures. Then came the question of what to do with the rest of the evening. "Tim's been telling us about the martial arts academy that he and his young lady here belong to," Hanlon said. "It sounds like quite a place. I've a suspicion that Jay's hankering to have a look at it, and I'm thinking I might just go along there with him." A gleam of hope had come into Lechat's eyes. "Do you really think they might be able to pull something off?" "What in hell's come over him?" Hanlon asked, nonplussed. "Aren't they paying captains well these days?" "Don't bother looking," Colman said. "He's got the late duty . . . to the moon as if it were an admiring prince who held her in his arms. Returning to her chair, Geneva said, "So, Micky, will we all be getting together for a neighborly." Sentry detail, detach to . . . post!" Sirocco shouted. PFC Driscoll stepped one pace backward from the end of the by-this-time-diminished file, turned ninety degrees to the right, and stepped back again to come to attention with his back to the wall by the entrance to a smaller side corridor. "Parade . . . rest!" Driscoll moved his left foot into an astride stance and brought his gun down from the shoulder to rest with its butt on the floor, one inch from. Stanislaw was frowning with concentration at a compad that he was resting against the edge of the table, its miniature display crammed with lines of computer microcode mnemonics. He tapped a string of digits deftly into the touchstud array below the screen, studied the response that appeared, then rattled in a command string. A number appeared low down in a corner. Stanislaw looked up triumphantly at Sirocco. "3.141592653," he announced. "It's pi to ten places." Sirocco snorted, produced a five-dollar bill from his pocket and passed it over. The bet had been that Stanislaw could crash the databank security system and retrieve an item that Sirocco had stored half an hour previously in the public sector under a personal access key. door is ajar. Telling herself, Get a grip. "Guard detail, file left and right by sections," Sirocco said at the front. "Section leaders forward." He moved out into the aisle, where the floor had folded itself into a steep staircase to facilitate fore-and-aft movement, and climbed through into the side-exiting lock chamber with Colman and Hanlon behind him while Red and Blue sections formed up in the aisles immediately to the rear. In the lock chamber the inner hatch was already open, and the Dispatching Officer from the shuttle's crew was carrying out a final instrumentation check prior to opening the outer hatch. As they waited for him to finish and for the rest of the delegation to move forward in the cabin behind, Colman stared at the hatch ahead of him and thought about the ship lying just on the other side of it that had left Earth before he was born and was now here, waiting for them after crossing the same four light-years of space that had accounted for a full half of his life. After the years of speculations, all the questions about the Chironians were now within minutes of being answered. The descent from the Mayflower II had raised Colman's curiosity to a high pitch because of what he had seen on the screen. For despite all the jokes and the popular wisdom, one thing he was certain of was that the engineering and structural modifications that he had observed on the outside of the Kuan-yin had not been made by irresponsible, overgrown adolescents. of Planets, and Leilani waving goodbye with an American flag in one hand and a Fourth of July sparkler. lines of a long-term sufferer of constipation. "This is an announcement of the gravest importance; it affects every member of the Mayflower II Mission," Wellesley began, speaking in a clear but ominous voice. "I am addressing you all in my full capacity as Director of this Mission. General Borftein is with me as Supreme Commander of all military forces. Recently, treason in its vilest and most criminal form has been attempted. That attempt has failed. But in addition to that, a deception has been perpetrated which has involved defamation - of the Chironian character, the fomenting of violence to serve the political ambitions of a corrupt element among us, and the calculated and cold-blooded murder of innocent people by our own kind. I do not have to remind you. My pseudofather. Late that afternoon, he parked the motor home in a roadside lay-by. Not a. Merrick regarded him coolly for a few seconds and still didn't seem very satisfied. "Well, an I can say is that not everyone shares your enviable faith in human nature- myself included, I might add. "We heard you could use some help, chief," Driscoll announced. "Couldn't leave it all to the amateurs?" Ribald comments and hoots of derision greeted the remark.. truly happy, anywhere, anytime. Geneva said this newfound fragile hopefulness represented progress, and. Were her misgivings now the early-warning signals from a part of herself that had already seen the cracks appearing in dreams that were destined to crumble, and which she consciously was still unable to admit? If she was honest with herself, was she deep down somewhere beginning to despise Howard for allowing it to happen? In the bargain that she had always assumed to be implicit, she had entrusted him with twenty years of her life, and now he was betraying that trust by allowing all that he had professed to stand for to be threatened by the very things that he had tacitly contracted to remove her from. Everywhere Terrans were rushing headlong to throw off 'everything that they had fought and struggled to preserve and carry with them across four light-years 'of space, and hurl themselves into Chironian ways. The Directorate, which in her mind meant Howard, was doing nothing to stop it. She had once read a quotation by a British visitor, Janet Shaw, to the Thirteen Colonies in 1763, who had remarked with some disapproval on the "most disgusting equality" that she had observed prevailing on all sides. It suited the present situation well.. Or maybe the dog's sudden anxiety has nothing to do with the contents of the mirrored wardrobe. She. January 8, 2081. It was a nice feeling.. All entrances into the Center itself were guarded. Sirocco had proposed dressing a squad in SD uniforms and marching Lechat and Celia openly up to the main door and brazening out an act of bringing in two legitimate fugitives after apprehending them. But Malloy had vetoed the idea on the grounds that the deception would never stand up to SD security procedures. Then Lechat had suggested a less dramatic and less risky method. As a regular customer of the Fran?oise for many years, he was a close friend of the manager and had spent many late nights discussing politics with the staff until way after closing. They all knew Lechat, and he was sure he could rely on them. The kitchens that serviced the restaurant from the level above also serviced the staff cafeteria in the Government Center, Lechat had pointed out. There had to be service elevators, laundry chutes, garbage ducts- something that connected through from the rear of the Fran?oise.. Chapter 6. "And he shot you anyway?". "got my orders." "So have I."
