Anyhow, Bud told me it'll be open again tomorrow. Check it out and give it a try."..It's impregnable, Colman thought to himself as he lay prone behind a girder mounting high up in the shadows at the back of the antechamber and studied the approaches to the lock. The observation ports overlooking the- area from above and to the sides could command the whole place -with overlapping fields of fire, and no doubt there were automatic or remote-operated defenses that were invisible. True, there was plenty of cover for the first stages of an assault, but the final rush -would be suicidal - - and probably futile since the lock doors looked strong enough to stop anything short - of a tactical missile. And he was beginning to doubt if the demolition squad suiting up to go outside farther back in the Hexagon would be able to do much good since the external approaches to the module would almost certainly be covered just as effectively; he knew how the minds that designed things like this worked-..Kalens had evidently been working on the details for some time. He recovered the support of the commercial lobby by proposing that Chironian "nursery-school economics" be excluded from the enclave, and won the professional interests over with a plan to tie all exchanges of goods and services conducted within the boundary to a special issue of currency to be underwritten by the Mayflower II's bank. The Chironians who lived and worked inside the prescribed limits would be free to come and go and to remain resident if they desired, provided that they recognize and observe Terran law. If they did not, they would be subject to the same enforcement as anyone else. If its integrity was threatened by disruptive external influences, the enclave would be defended as national territory..her suspicions directly, however, she would risk driving Leilani to further evasion. For reasons that she.drinking pina colodas on a palm-shaded terrace in Heaven, what will they be serving in Hell?". "You should try to find yourself, Steve. It's healthy."..Another missile salvo streaked in and smashed into the walls and structures inboard from the lock, wiping out half the force that had just begun to move. The survivors reeling among the wreckage began crumpling and falling under a concentrated hail of HE and cluster fire from M32s and infantry assault artillery. What was left of the covering force broke and began running back in disorder. "Get everybody out! Pull back to-" The glass partition imploded under a direct hit, and a split second later a guided bomb carrying a five-hundred-pound incendiary warhead put an end to all resistance in the vicinity of Number 2 Aft Access Port.,Stanislau was frowning with concentration at a compad that he was resting against the edge of the table, its miniature display crammed with lines of computer microcode mnemonics. He tapped a string of digits deftly into the touchstud array below the screen, studied the response that appeared, then rattled in a command string. A number appeared low down in a comer. Stanislau looked up triumphantly at Sirocco. "3.141592653,' he announced. "It's pi to ten places." Sirocco snorted, produced a five-dollar bill from his pocket and passed it over. The bet had been that Stanislau could crash the databank security system and retrieve an item that Sirocco had stored half an hour previously in the public sector under a personal access key.."People don't worry about being replaced by a' chip?".CHAPTER THIRTY-TWO.The power failed. What do you think?"...Paul Lechat raised the Separatism issue again and looked for a while as if he would carry a majority as commercial lobbyists defected from the Kalens camp. But the timing of the moment was not in Lechat's favor, and Borftein torpedoed the motion fresh off the launching ramp. with a scathing depiction of them all allowing themselves to be chased off across the planet like beggars from somebody's back door. Ramisson, who had been heading the movement for unobstructed integration into the Chironian system, lodged a plea for restraint, but it was obvious that he knew the mood was against him and he was speaking more to satisfy the expectations of his followers than from any conviction that he might influence anything. The assembly listened dutifully and took no notice..~You got it wrong," Colman told them. "It's not the little ones at all." He widened his eyes in a parody of lewd anticipation and grinned. stop, and so does Curtis. They look at each other, at the door, at each other."You could talk to him. I know he listens to what you say. We've talked about things." "I'm a child." "You are a child." Stern nodded slowly in satisfaction. "Excellent. I think you would agree, gentlemen, that this puts us in an unassailable bargaining position." she doesn't believe in doctors, hospitals. She says we were born at home, wherever home was then. At and press charges against the congressman?" circling the truck-stop complex, and into the civilian car park where no big rigs are allowed, the boy on a forty-eight, that right?" Waiters asked. "Uh-huh." "Any plans?" "How do you know he'll go along with it?" Barbara asked. Micky said, "Leilani, for God's sake, is your mother always like that? the way I just saw her?" "Then there is no reason for us to allow unseemly haste to lower the quality of the evening," Stern said, sitting forward and reaching with a leisurely movement of his hand for the decanter. "A little time ripens more than just fine cognac. Will you join me in a refill?" "I suppose not," Kath said. She lay silent for a while and then went on in a more distant voice, "But it's still not really the same. I mean, it must be wonderful to have actually been born there ... to know that you were directly descended through all those generations, right back to when it all began." Jesus, he thought, he was sick of the system. It went back a lot longer than twenty years, for what was the Mayflower II but an extension of the same system he'd been trying to, get away from all his life? lay was beginning to feel the trap closing around him already. And none of it was going to change--ever. Chiron wasn't going to be the way out that Colman had hoped for when he volunteered at nineteen. They had brought the system with them, and Chiron was going to be made just another part of it. Leading with her good leg, dragging her left, long-practiced grace abandoned, hard-won dignity lost, this bed. He isn't aware of my associate in the attic." "That depends, ma'am. They can lead to a heap of trouble." "They're all such selfless do-gooders." Constance Tavenall's voice was crisp with sarcasm but. "Not anymore," Micky said, surprised to hear herself reply at all, let alone so revealingly. bend, he sees a truck stopped on the shoulder of the highway. Headlights doused in favor of the parking, black and fully armored. Bristling, fierce in every line, turbines screaming, this seems to be a military. When Jean appeared in the doorway, Bernard was fiddling with an assembly of slides and cranks that he had set up in a test jig. She watched while he pushed a tiny rod which in turn caused all the other pieces to slide and turn in a smooth unison, though what any of them did or what the whole thing was for were mysteries to Jean, Bernard pulled the rod back again to return all the pieces to their original positions, then looked up and grinned. "I have to take my hat off to Army training," he said. "I'll say one thing for Steve Colman-he sure knows what he's doing. Our son has produced some first-class work here." He noticed the expression on Jean's face, and his manner became more serious. "Aw, try and snap out of it hon. I know everything's a bit strange. What else can you expect after twenty years? You'll need time to get used to it. We all will".that he possessed neither the heart nor the soul to match his face. "Everyone I talked to about a job." Geneva brightened. "Now you're talking." Then: big trouble. The section assigned to the Columbia District split up into small groups that came out of the Ring transit tube at different places inside the module and at staggered times. Colman, Hanlon, and Driscoll got off with Lechat, who was dressed to obscure his appearance since he was presumably still high on Stern's wanted list. They rendezvoused with Carson and three others a few minutes later, then they headed via a roundabout route for the Fran?oise restaurant, which was situated on a public level immediately below the Government Center complex. to be entrusted to the masses. It should be controlled by those who have the intelligence to apply it competently and beneficially. Gaulitz would be a suitable figure to groom as a... high priest, don't you think, to restore some healthy awe and mystery to the subject. He nodded knowingly. "The Ancient Egyptians had the right idea." As he spoke, it occurred to him that the Pyramids could be taken as symbolizing the hierarchical form of an ideal, stable society-a geometric iceberg. The analogy was an interesting one. It would make a good point to bring up at the dinner party. Perhaps he would adopt it as an emblem of the regime to be established on Chiron. With the hum of the fan and the noise of the running water as cover, she did what she had never done in. Throughout the theft of shirt, jeans, socks, and shoes, Curtis Hammond sleeps as soundly as though a. from the galley, lounge, and cockpit.
