So the credo' had run. And when the East at last fell apart from its own internal decay, when the illusion of unity that the Arabs were trying to impose on Central Asia was finally exposed, and when the African militancy eventually expired in an orgy of internecine squabbling, the American New Order would reabsorb temporarily estranged Europe, and prevail. As Stormbell was about to repeat the order to clear the room, Borftein looked at Stern, closed his eyes for a moment, and then raised a hand and shook his head. Stern looked at him questioningly. "I'm not sure I even know what's happened," Borftein said. "It's been too sudden. Just what do you think you're going to do?" From inside the front of his tunic, he slipped his compad surreptitiously beneath the edge of the table. But Merrick didn't seem inclined to pursue that side of the matter. The Chironians didn't watch their children being brought home in body-bags, he reflected; they didn't teach them that it was noble to die for obstinate old men who would never have to face a gun, or send them away to be slaughtered by the thousands defending other people's obsessions.
