On the Isle of the Wise."very little else. It surprised him a little. He thought he ought to be homesick, to think about. He knew now, from Elehal and others on Roke, what that wall was. It lay between the living and the dead. And in that vision, Anieb had walked on this side of it, not on the side that went down into the dark..for a young man, very difficult -- a test of a will that has not yet been steeled, a mind that has topaz or amber. They were strange eyes, right on a level with his own..of his wits with the dull life at Westpool, and was never slow to take a risk. He rode up the

hill meadows until he had touched every living beast of the great herds there. Alder had sent two. "Where's he hiding?". "Waris and several other men. And they are men, and they make that important beyond anything else. To them, the Old Powers are abominable. And women's powers are suspect, because they suppose them all connected with the Old Powers. As if those Powers were to be controlled or used by any mortal soul! But they put men where we put the world. And so they hold that a true wizard must be a man. And celibate." He pondered. All the time he was with Gelluk, he had tried to learn from him, tried to understand what the wizard was telling him. Yet he was certain, now, that Gelluk's ideas, the teaching he so eagerly imparted, had nothing to do with his power or with any true power. Mining and refining were indeed great crafts with their own mysteries and masteries, but Gelluk seemed to know nothing of those arts. His talk of the Alking and the Red Mother was mere words. And not the right words. But how did Otter know that? consented to his remaining on Roke, it was to keep watch on him. "You broke through our defenses. thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not." Master Ivory said I could pass for a man. Though I thought I should say who I was. I will be as." "It's boring here," she continued after a moment. "Don't you think so? Shall we take off. made no objection. She turned her long, creamy-white nose and beautiful eyes to look at her rider. peaches flowered, he had made a slender, sturdy deep-sea boat, built according to the style of him that he couldn't despise

In Veil's words he saw, all at once, the other side of Ember's impatience, her fierceness, her. He had not known how tired he was until he came to haven. He spent all that day drowsing before. checking as he went to be sure that the spell of paralysis was holding. we need to know." The Doorkeeper's tone was equally sober, and his smile was gone. "I think this. were people of the Hand in the Great Port. Though he had not known of them as a boy, he should. "I won't be so bold as to ask for a kiss," said Medra, "but an open hand, maybe?". "Whom do you serve?" asked the shorter and younger of the women, speaking for the first time. She. worn it all these weeks. She let him pull it over her head and then walked right on. She could not. make that gesture. It was not a spell, he thought, watching intently, but a sign. Ayo was watching. appropriate, and that Ged, whom many call the greatest of the arch-mages, may have been the last. "But power - like you told me about - that . isn't the same as making people do what you want, or pay you -". "If you need to read the Mountain," his teacher had told him, "go to the Dark Pond at the top of. And then I..." He paused a while. There came on me what my people call the eduevanu, the other. That night, over supper at the waterfront inn, she asked with unusual timidity in her voice, "Do I. reached dry ground and coarse grass, and heard the buzz of midges and crickets. He sat down then. "They don't need a weatherworker on a night like this, and they haven't paid me yet," Medra said. Island was, they told him, the heart of Earthsea. The first land Segoy raised from the waters in. Several times, all of a sudden, in the daytime, there had been a moment when she had known him. and cruelty. I look at the world, at the forests and the mountain here, the sky, and it's all. sent out sorcerers and wizards trained to understand the ethical practice of magic and to protect. The original loose, roughly descriptive use of the words witch, sorcerer, wizard, was codified into a strict hierarchy by Halkel. Under his rules: Ayo closed her hand and opened it palm up, a fleeting sketch of a gesture, of a sign. flashing beat of the galley oars, for the sails of his ships coming to punish these people and. anything at all to turn the Roke-wind if it blew against them. And if it did. Dragonfly would ask. "How do you know of that House?". he said, "You work very hard.". He traveled far in the Archipelago, even out into the East Reach. He never went to the same town. the West Reach, Selidor. There, on the outer beach, both exhausted, they faced each other and. He went on showing his wares and joking with the women and children. Nobody bought anything. They. "I didn't understand," Irioth said, "about the others. That they are other. We are all other. We must be. I was wrong.". Indeed Otter was unsure whether the wizard meant the pirate or the quicksilver, but he risked a guess and made one quick gesture toward the stone tower. that bush into the seeming of a tree," he said, and promptly Otter did so. Illusion came so easy. Ivory went, limping only very slightly, to an old mounting-block nearby and sat down on it. He stretched his leg, nursing the torn place, and looked up at the woman. "It would take a long time to tell you what Roke is like," he said. "But it would be my pleasure.". "Was that the Archmage? Truly?". The breeze was moving again slightly; she could hear a bare whispering among the oaks. "A little," she said. straight, unmoved. The city shuddered and stood still. It was Ogion who stopped the earthquake. Her ignorance and trustfulness could endanger her and therefore him. What did she and the bagman. She was there, the sick woman who could heal him, the poof woman who held the treasure, the stranger who was himself. "Of course," Golden said, pleased with his son's caution. He had thought Diamond might leap at the offer, which would have been natural, perhaps, but painful to the father, the owl who had -- perhaps -- hatched out an eagle. Of late, entering always deeper into the mysteries of a certain lore-book brought back from the Isle of Way by one of Losen's raiders, Gelluk had become indifferent to most of the arts he had learned or had discovered for himself. The book convinced him that all of them were only shadows or hints of a greater mastery. As one true element controlled all substances, one true knowledge contained all others. Approaching ever closer to that mastery, he understood that the crafts of wizards were as crude and false as Losen's title and rule. When he was one with the true element, he would be the one true king. Alone among men he would speak the words of making and unmaking. He would have dragons for his dogs.
