We're the place to get for the publication that is called. And today, your own time to obtain this specific guide as on the list of compromises has been ready. Merchant, The Unlucky, i. 73..? ? ? ? ? That I am the pledge of passion still and that my longing love And eke my yearning do overpass all longing that was aye..125. The Muslim Champion and the Christian Lady cccclxxiv. When she had made an end of her song, Sherareh was moved to exceeding delight and drinking off her cup, said to her, 'Well done, O gift of hearts!' Then she ordered her an hundred dresses of brocade and an hundred thousand dinars and passed

the cup to Queen Wekhimeh. Now she had in her hand somewhat of blood-red anemone; so she took the cup from her sister and turning to Tuhfeh, said to her, 'O Tuhfeh, sing to me on this.' Quoth she, 'I hear and obey,' and improvised the following verses:..When this came to the king's knowledge, he despatched troops in pursuit of Zourkhan, to stop the road upon him, whilst he himself went out and overtaking the vizier, smote him on the head with his mace and slew him. Then he took his daughter by force and returning to his dwelling-place, went in to her and married her. Arwa resigned herself with patience to that which betided her and committed her affair to God the Most High; and indeed she was used to serve Him day and night with a goodly service in the house of King Dabdin her husband..76. The Khalif El Hakim and the Merchant cccclxxxix.Selim followed him till he brought him to an underground chamber and showed him somewhat of wine that was to his mind. So he occupied him with looking upon it and taking him at unawares, sprang upon him from behind and cast him to the earth and sat upon his breast. Then he drew a knife and set it to his jugular; whereupon there betided Selim [that wherewithal] God made him forget all that He had decreed [unto him], (72) and he said to the cook, 'Why dost thou this thing, O man? Be mindful of God the Most High and fear Him. Seest thou not that I am a stranger? And indeed [I have left] behind me a defenceless woman. Why wilt thou slay me?' Quoth the cook, 'Needs must I slay thee, so I may take thy good.' And Selim said, 'Take my good, but slay me not, neither enter into sin against me; and do with me kindness, for that the taking of my money is lighter (73) than the taking of my life.'Accordingly El Merouzi repaired to the market and fetching that which he sought, returned to Er Razi's house, where he found the latter cast down in the vestibule, with his beard tied and his eyes shut; and indeed, his colour was paled and his belly blown out and his limbs relaxed. So he deemed him in truth dead and shook him; but he spoke not; and he took a knife and pricked him in the legs, but he stirred not. Then said Er Razi, 'What is this, O fool?' And El Merouzi answered, 'Methought thou wast dead in very sooth.' Quoth Er Razi, 'Get thee to seriousness and leave jesting.' So he took him up and went with him to the market and collected [alms] for him that day till eventide, when he carried him back to his lodging and waited till the morrow..When Galen heard this, he ordered the weaver the amount of his wife's dowry and bade him pay it to her and divorce her. Moreover, he forbade him from returning to the practice of physic and warned him never again to take to wife a woman of better condition than himself; and he gave him his spending-money and bade him return to his [former] craft. Nor," added the vizier, "is this more extraordinary or rarer than the story of the two sharpers who cozened each his fellow.".Three men once went out in quest of riches and came upon a block of gold, weighing a hundred pounds. When they saw it, they took it up on their shoulders and fared on with it, till they drew near a certain city, when one of them said, 'Let us sit in the mosque, whilst one of us goes and buys us what we may eat." So they sat down in the mosque and one of them arose and entered the city. When he came therein, his soul prompted him to play his fellows false and get the gold for himself alone. So he bought food and poisoned it; but, when he returned to his comrades, they fell upon him and slew him, so they might enjoy the gold without him. Then they ate of the [poisoned] food and died, and the gold abode cast down over against them..95. Abdurrehman the Moor's Story of the Roc cccclv.It chanced one day that they sallied forth to stop the way and fell in upon a caravan in the night; but the people of the caravan were on their guard; so they joined battle with the robbers and overcame them and slew them and the boy fell wounded and abode cast down in that place till the morrow, when he opened his eyes and finding his comrades slain, lifted himself up and rose to walk in the way. Presently, there met him a man, a treasure-seeker, and said to him, 'Whither goest thou, O youth?' So he told him what had betided him and the other said, 'Be of good heart, for that [the season of] thy fair fortune is come and God bringeth thee joy and solace. I am one who am in quest of a hidden treasure, wherein is vast wealth. So come with me, that thou mayst help me, and I will give thee wealth, wherewith thou shalt provide thyself thy life long.' Then he carried the youth to his dwelling and dressed his wound, and he abode with him some days, till he was rested; when he took him and two beasts and all that he needed, and they fared on till they came to a precipitous mountain..Now the king had a brother, who envied him and would fain have been in his place; and when he was weary of looking for his death and the term of his life seemed distant unto him, he took counsel with certain of his partisans and they said, 'The vizier is the king's counsellor and but for him, there would be left the king no kingdom.' So the king's brother cast about for the ruin of the vizier, but could find no means of accomplishing his design; and when the affair grew long upon him, he said to his wife, 'What deemest thou will advantage us in this?' Quoth she, 'What is it?' And he replied, 'I mean in the matter of yonder vizier, who inciteth my brother to devoutness with all his might and biddeth him thereto, and indeed the king is infatuated with his counsel and committeth to him the governance of all things and matters.' Quoth she, 'Thou sayst truly; but how shall we do with him?' And he answered, 'I have a device, so thou wilt help me in that which I shall say to thee.' Quoth she, 'Thou shall have my help in whatsoever thou desirest.' And he said, 'I mean to dig him a pit in the vestibule and dissemble it artfully..? ? ? ? Couched are their limber spears, right long and lithe of point, Keen- ground and polished sheer, amazing wit and brain..Fair patience use, for ease still followeth after stress, iii. 117..Some misconception seems to exist as to the story of Seif dhoul Yezen, a fragment of which was translated by Dr. Habicht and included, with a number of tales from the Breslau Text, in the fourteenth Vol. of the extraordinary gallimaufry published by him in 1824-5 as a complete translation of the 1001 Nights (224) and it has, under the mistaken impression that this long but interesting Romance forms part of the Book of the Thousand Nights and One Night, been suggested that a complete translation of it should be included in the present publication. The Romance in question does not, however, in any way, belong to my original and forms no part of the Breslau Text, as will be at once apparent from an examination of the Table of Contents of the latter (see post, p. 261), by which all the Nights are accounted for. Dr. Habicht himself tells us, in his preface to the first Vol. of the Arabic Text, that he found the fragment (undivided into Nights) at the end of the fifth Volume of his MS., into which other detached tales, having no connection with the Nights, appear to have also found their way. This being the case, it is evident that the Romance of Seif dhoul Yezen in no way comes within the scope of the present work and would (apart from the fact that its length would far overpass my limits) be a manifestly improper addition to it. It is, however, possible that, should I come across a suitable text of the work, I may make it the subject of a separate publication; but this is, of course, a matter for future consideration..? ? ? ? The road of right thou hast made straight, that erst was crooked grown; Yea, for its path of old had fall'n to ruin and decay..Mariyeh opened the mantle, and when she saw that necklace, and indeed the place was illumined with the lustre thereof, she looked at her slave-girl and said to her, "By Allah, O Shefikeh, one look at him were liefer to me than all that my hand possesseth! Would I knew what I shall do, whenas Baghdad is empty of him and I hear no tidings of him!" Then she wept and calling for inkhorn* and paper and pen of brass, wrote the following verses:..? ? ? ? b. Story of the Eunuch Kafour xxxix.? ? ? ? Till in a robe of sandal green 'twas clad And veil that blended rose and flame (216) in hue..Then he again began to pay me frequent visits and I entered into converse with him and

questioned him of the band and how he came to escape, he alone of them all. Quoth he, 'I left them from the day on which God the Most High delivered thee from them, for that they would not obey my speech; wherefore I swore that I would no longer consort with them.' And I said, 'By Allah, I marvel at thee, for that thou wast the cause of my preservation!' Quoth he, 'The world is full of this sort [of folk]; and we beseech God the Most High for safety, for that these [wretches] practise upon men with every kind of device.' Then said I to him, 'Tell me the most extraordinary adventure of all that befell thee in this villainy thou wast wont to practise.' And he answered, saying, 'O my brother, I was not present when they did on this wise, for that my part with them was to concern myself with selling and buying and [providing them with] food; but I have heard that the most extraordinary thing that befell them was on this wise..Presently, the king [of the city] was minded to go forth to his garden, (206) a-pleasuring, and bade the cook forego him thither and appoint in his stead one who should dress meat for the king, so that, when he returned, he might find it ready. So the cook fell a-considering of whom he should appoint and was bewildered concerning his affair. As he was on this wise, the old man came to him and seeing him perplexed how he should do, said to him, 'Tell me what is in thy mind; belike, I may avail to relieve thee.' So he acquainted him with the king's wishes and he said, 'Have no care for this, but leave me one of the serving-men and go thou in peace and surety, for I will suffice thee of this.' So the cook departed with the king, after he had brought the old man what he needed and left him a man of the guards.
