"What do you say?" she. It seemed that from Roke Knoll the whole extent of the Grove could be seen, yet if you walked in, learned to read. Medra had been thinking, once again, and still unavailingly, how he could leave Havnor at once and unnoticed, when the wizard came. Without front walls. Approaching them, I found low, dimly lit cubicles, in which stood rows of. "A hundred and twenty-seven. What about it?" The Archmage brought the boy Arren there. farm, for he had a hand with animals, and was quieter when he was with the horses. But he. "The one," Rose said. As suddenly as the ewe had walked off, she went into her house. Dragonfly followed her, but only to the door. Nobody entered a witch's house uninvited. How long had he been standing here? Why was he standing here? He had been thinking about mud, about the floor, about Silence. Had he been out walking on the path above the Overfell? No, that was years ago, years ago, in the sunlight. It was raining. He had fed the chickens, and come back to the house with three eggs, they were still warm in his hand, silky brown lukewarm eggs, and the sound of thunder was still in his mind, the vibration of thunder was in his bones, in his feet. Thunder? times-poor, coarse food, but he ate it all, slowly, valuing it. Come evening the brother went off, what is most base comes what is most noble? That is a great principle of the art! That is, I thought it was a street, but the darkness above us was every now and. His voice was the voice of the slave in the stone tower. It was she who knew the true name of. The wizard stepped forward. "I come," he said in his joyous, tender voice, and he strode fearlessly into the raw wound in the earth, a white light playing around his hands and his head. But seeing no slope or stair downward as he came to the lip of the broken roof of the cavern, he hesitated, and in that instant Anieb shouted in Otter's voice, "Tinaral, fall!". dark curve against the sky. In about 650, the sisters Elehal and Yahan of Roke, Medra the Finder, and other people of the Hand founded a school on Roke as a center where they might gather and share knowledge, clarify the disciplines, and exert ethical control over the practices of wizardry. With the Hand as its agent on other islands, the school's reputation and influence grew rapidly. The mage Teriel of Havnor, perceiving the school as a threat to the uncontrolled individual power of the mages, came with a great fleet to destroy it. He was destroyed, and his fleet scattered. The mage said, "Majesty, as you know, my poor skill has not availed, but I have sent for the greatest healer of all Earthsea, who lives in far Narveduen, and when he comes, your highness will surely walk again, yes, and dance the Long Dance." placating, frightened voice, Rose said, "It came so ...". "I saw it." shoulder. She had a catlike head, black hair with a blue sheen, a profile that was perhaps too. For Golden looked on the Art Magic with genuine humility as something quite beyond him -- not a. and cruelty. I look at the world, at the forests and the mountain here, the sky, and it's all. He ran down from the straggle of huts to the quick, noisy stream he had heard singing through his sleep all his nights in Woodedge. He prayed to it. "Take me and save me," he asked it. He made the spell the old Changer had taught him long ago, and said the word of transformation. Then no man knelt by the loud-running water, but an otter slipped into it and was gone. first thing the boy did in the Great House, they say, he turned the Long Table of the dining hall. burn out on the marsh but small brushwood and dead reeds, and the fire was hardly enough to boil. If Diamond had been born to that kind of power, if that was his gift, then all Golden's dreams and plans of training him in the business, and having him help in expanding the carting route to a regular trade with South Port, and buying up the chestnut forests above Reche -- all such plans dwindled into trifles. Might Diamond go (as his mother's uncle had gone) to the School of Wizards on Roke Island? Might he (as that uncle had done) gain glory for his family and dominion over lord and commoner, becoming a Mage in the Court of the Lords Regent in the Great Port of Havnor? Golden all but floated up the stairs himself, borne on such visions. Gelluk's fall had not brought Losen down. The pirate king had other wizards in his pay, among them. He resolved to wait and watch. Being a patient man with a strong will, he did so for four years, forward to see where the sign came from, and flinched. The back of my seat moved with my. The old wizard stood there. He recollected all he knew of the names of Gont, and after a while he saw where Yaved was. It was the place where the ridges parted, just inland from Gont Port; the hinge of the headlands above the city; the place of the fault. An earthquake centered there could shake the city down, bring avalanche and tidal wave, close the cliffs of the bay together like hands clapping. Dulse shivered, shuddered all over like the water of the pool. order of field and garden, the building and care of the house and its furniture, the mining of. cause sores on my body; no, for I don't fear him, but invite him, and so he enters into my veins. least, did not live in such luxury as Golden had imagined. Diamond never thought about Darkrose, sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving. She lived with Medra in his small house not far from the Net House, though she spent many days with her sister Veil. Ember and Veil had been little children on a farm near Thwil when the raiders came from Wathort. Their mother hid them in a root cellar of the farm and then used her spells to try to defend her husband and brothers, who would not hide but fought the raiders. They were butchered with their cattle. The house and barns were burnt. The little girls stayed in the root cellar that night and the nights after. Neighbors who came at last to bury the rotting bodies found the two children, silent, starving, armed with a mattock and a broken ploughshare, ready to defend the heaps of stones and earth they had piled over their dead. of thirty usually have children. And there were. . . other considerations. "There were moments when she became quite lovely, particularly when she narrowed her eyes. He could speak his language only with her. And he had lost her, let her go. The double heart has. Osskil, spoken in Osskil and two islands northwest of it, has more affinities to Kargish than to Hardic. Kargish has diverged most widely in vocabulary and syntax from the Old Speech. Most of its speakers (like most Hardic speakers) do not realise that their languages have a common ancestry. Archipelagan scholars are aware of it, but most Kargs would deny it, since they have confused Hardic with the Old Speech, in which spells are cast, and thus fear and despise all Archipelagan speech as malevolent sorcery. "Those are spells of illusion only, of seeming. But there are true changes, and true summonings. And these may be true temptations to the wizard! It's a wonderful thing to fly on the wings of a falcon, mistress, and to see the earth below you with a falcon's eye. And summoning, which is naming truly, is a great power. To know the true name is to have power, as you know, mistress. And the summoner's art goes straight to that. It's a wonderful thing to summon up the semblance and the spirit of one long dead. To see the beauty of Elfarran in the orchards of Solea, as Morred saw it when the world was young..." speak. Without a word or gesture he turned away again and left the room. As he walked slowly past. The True Runes used in the Archipelago embody words of the Speech of the Making. True Runes are not symbols only, but reifactors: they can be used to bring a thing or condition into being or bring about an event. To write such a rune is to act. The power of the action varies with the circumstances. Most of the True Runes are found only in ancient texts and lore-books, and used only by wizards trained in their use; but a good many of them, such as the symbol written on the

door lintel to protect a house from fire, are in common use, familiar to unlearned people..Never old. I can't teach you. I can take you into the Grove." After a minute he stood up. "Yes?".Azver frowned. "The Doorkeeper admitted you because you asked," he said. "I brought you to the Grove because the leaves of the trees spoke your name to me before you ever came here. Irian, they said, Irian. Why you came I don't know, but not by chance. The Summoner too knows that..The dragons offered no threat during this period, and the Kargs had withdrawn into their own.The witch listened, unable to resist the lure of secrets revealed and the contagion of passionate desire..forest and meadow, but the rain will fall, the rivers will run to the sea. He could always make her laugh; he was the only one who could. When he was away, she was quiet-voiced and even-tempered, having learned the uselessness of impatience in the work that must be done. Sometimes she still scowled, sometimes she smiled, but she did not laugh. When she could, she went to the Grove alone, as she had always done. But in these years of the building of the House and the founding of the school, she could go there seldom, and even then she might take a couple of students to learn with her the ways through the forest and the patterns of the leaves; for she was the Patterner..Clenching and unclenching his hands, he stood as far from her as he could, his back to her..guess and made one quick gesture toward the stone tower..but religious and secular power was henceforth in the hands of the Godking, chosen (often with."To come here," he said.
