Together they had finally worked it out, a long toil. "Like ploughing with a blind ox," Dulse said..Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage would rub out its king with half a spell. But he let Losen act the master. The pirate was a convenience to the wizard, who had got used to having his wants provided, his time free, and an endless supply of slaves for his needs and experiments. It was easy to keep up the protections he had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the places slaves worked or treasures were kept. Making those spells had been a different matter, a long hard work. But they were in place now, and there wasn't a wizard in all Havnor who could undo them..the answering hatred in the son's eyes, the threat, the pitiless contempt. "This is the back door," the mage said, unbolting.The food of dragons is said to be light, or fire; they kill in rage, to defend their young, or for sport, but never eat their kill. Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach-which may have been the easternmost borders of their own realm-for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles..prison shut.
