"Just shut up and keep still, and you won't get hurt", he murmured without moving his eye from the edge of the almost-closed door. "We're just passing through". After a short silence Sirocco tensed suddenly. "Here they come. . . just two of them with a sergeant," he whispered. "Get ready. There are two guys talking by the coffee dispenser. We'll have to grab them too. Faustzman, you take care of them." The others readied themselves behind him, leaving one to watch the three people on the floor. Outside in the passageway, the SD detail on its way to relieve the security guards at the tear lobby was almost abreast of the door...January 8, 2081.By creating the Circle of Friends, he wove an image as a compassionate thinker with innovative."Peace," said Geneva. She raised her head and at last made eye contact. "Peace, and God knows you.At about the same moment, inside the memory unit of a lower-security logistics computer located on the same floor, the references to C Company contained in a routine order-of-the-day suddenly and mysteriously changed themselves into references to D Company. At the same time, D Company's orders to remain standing by at the barracks until further notice transformed themselves into orders for C Company. Ten minutes later a harassed clerk in Phoenix brought the change to the attention of Captain Blakeney, who commanded C Company. Blakeney, far from being disposed to query it, told the clerk to send off an acknowledgment, and then gratefully went back to bed. Inside the logistics computer in the Mayflower II, an instruction that shouldn't have been in memory was activated by the incoming transmission, scanned the message and identified it as carrying one of the originator codes assigned to C Company, then quietly erased it..Colman groaned to himself. Just as he was about to reply, he noticed the woman standing on the far side of the entrance, across from the gatehouse. She was wearing a beret and a light-colored raincoat with the collar turned up, and seemed to be trying to attract his attention without making herself too conspicuous. "Oh, Jesus-" He looked at the two. "Look, I need a few minutes. Jay, stay right there." He walked across to the woman and was almost face to face with her before he recognized Veronica, for once looking neither impish nor mischievous..the most devout priest was serious about his faith.. "Hey, back off, soldier," Ci said suspiciously. "We're still strangers. Later, who knows? "That was already understood," he replied grimly..see clearly in herself..was no absolute, top-down hierarchical structure at all. It was a microcosm of the whole planet, he was beginning to suspect. Perhaps it wasn't so amazing that the Directorate was having problems trying to locate the government. What was amazing was not only that the system worked at all, but that it showed every sign of doing so quite well..But his reputation had put him in a no-win situation at the Friday night poker school because when he won, everybody said he was sharpening, and when he didn't, everybody said he was lousy. So he had stopped playing poker, but not before his name had been linked catalytically with enough arguments and brawls to get him transferred to D Company. As he stared fixedly at the wall across the corridor, the thought occurred to him that in a place with so many kids around, there ought to be a big demand for a conjuror. The more he thought about it, the more appealing the idea became. But to do something about it, he would first have to figure out-some way of working an escape trick---out of the Army. Swley should have some useful suggestions about that, he thought..if it is. Someone's got to remember, you know. Someone..".The painter glanced across and noticed them watching. "Nice day," he

commented and continued with his work. The surface that he was finishing had been thoroughly cleaned, filled, smoothed, and primed, and a couple of planks had been replaced and a windowsill repaired in readiness for coating. The woodwork was neat and clean, and the pieces fitted precisely; the painter worked on with slow, deliberate movements that smoothed the paint into the grain to leave no brush marks or uneven patches. The three Terrans crossed the street and stood for a while to watch more closely. Jay stood up and left the room quietly. Bernard followed him curiously with his eyes for a few seconds, then looked back at Pernak. "But it's a hell of a thin case for shipping everyone off to Iberia, isn't it? And besides, if you're right, then I'd have thought the best place to stay would be right here—all mixed up together with the Chironians. That way nobody's likely to start throwing any big bombs around, right?" He turned his head to grin briefly at Jean. "I think Jerry made my point." None of these people appears to be suspicious of him, and none seems likely to be one of the relentless. "Oh, that's sad. You resorted to an arbitrary number. That reveals a shallow capacity for independent. The man squints at the mirror. "Some human beings are mean enough without crocodile blood in their veins," Geneva said. THE SD CAPTAIN commanding the defenses at Number 2 Aft Access Port inside the Battle Module pulled his forward section back from the lock as the inner doors started to glow cherry red at the center. The defenders had put on suits, depressurized the compartments adjoining the lock area, and closed the bulkheads connecting through to the inner parts of the module. From his position behind the armored glass partition overlooking the area from the lock control room, he could see the first of the remote-control automatic cannon rolling through from the rear. "Hurry up with those RCC's," he shouted into his helmet microphone. "Yellow section take up covering positions. Green and Red prepare to fall back to the longitudinal bulkhead locks." Micky looked around. "Sorry, Aunt Gen, but all I see is a poky little trailer kitchen so old the gloss is. wardrobe." could travel through the air when it flung itself out of a tight coil. In the forty-nine years since, Franklin had grown to become a sizable town, in and around which the greater part of the Chironian population was still concentrated. Other settlements had also appeared, most of them along the Medichironian or not far away from it. "Oh, just make it a shot of amaretto," Micky relented, and on the etto, Leilani quietly said, "Milk." life is all one long playtime. But it's not really their fault because they're not really people like us." The conviction was widespread even though the Mayflower II's presiding bishop was carrying a special ordinance from Earth decreeing that Chironians had souls. Jean realized that she had left herself open to misinterpretation and added hastily, "Well, they are people, of course. But they're not exactly like you because they were born without any mothers or fathers. You mustn't hate them or anything. Just remember that you're a little better than they are because you've been luckier, and you know about things they've never had a chance to learn. Even if we have to be a little bit firm with them, it will be for their own good in the end." eccentric. hallucinogens during pregnancy give the baby psychic powers. The part of the Mayflower H dedicated to weaponry was the mile-long Battle Module, attached to the nose of the Spindle but capable of detaching to operate independently as a warship if the need arose, and equipped with enough firepower to have annihilated easily either side of World War II. It could launch long-range homing missiles capable of sniffing out a target at fifty thousand miles; deploy orbiters for surface bombardment with independently targeted bombs or beam weapons; send high-flying probes and submarine sensors, ground-attack aircraft, and terrain hugging cruise missiles down into planetary atmospheres; and land its own ground forces.
