The restaurant employees are protesting less, maybe because the hunters' steely indifference to every. Pernak had a surprisingly long stride for his height, and Jay had to hurry to keep up as they' walked a couple of blocks through densely packed but ingeniously secluded interlocking terraces of Maryland residential units. It wasn't long before Pernak was talking about phase-. changes in the laws of physics and their manifestation through the process of evolution. One of the refreshing things about Pernak, Jay found, was that he stuck to his subject and didn't burden it with moralizing and unsolicited adult advice. He had never been able to make up his mind whether Pernak was secretly a skeptic about things like that or just believed in minding his own business, but he had never found a way of leading up to the question.. "Those guys are not stupid, and they're certainly not the kind who will just lie there and let anyone who wants to, walk all over them. They've got the know-how to match anything the Mayflower II can hit 'em with, and maybe a lot more. They've known for well over twenty years what to expect. Well figure the rest out yourself.". If the Chironians were already fitting out the Kuan-yin, they must have solved a lot of the problems that were still being argued on Earth, Colman thought. The whole planet, he realized as he reflected on it, was a powerhouse of progress, unchecked by any traditions of unreason and with no vested-interest obstructionists to hold it back. If the pattern continued until Chiron became a fully populated world, it would effectively leave Earth back in the Stone Age within a century. "Have you actually flown it anywhere yet?" he asked, turning his head toward Kath. "The Kuan-yin . Has it been anywhere since it arrived in orbit here?".
